EMS Update

Supervisor Danielson updated the board on the current issues with EMS. The Mackinac County Board of Commissioners apparently backed out of their agreement to fund a portion of the project to build the new EMS building. Therefore, the EMS must look for other funding options, including loans and a possible millage. David Blake Thomas is the current Chief Executive Officer and Mark Wilk is the Operations Manager. Building is set to be done by December 2023. They are also looking into the current Ambulance Insurance Program.
